

- 5R.N. Bakhtizin

Academy of Sciences of the Republic of Bashkortostan 2013: Results and Prospects.
Address by Ramil N. Bakhtizin, President of the Academy of Sciences of the Republic of
Bashkortostan, at ASRB General Meeting on May 23, 2014

TECHNOLOGY

- 12M.A. Ilgamov

An Overview of Implementation of the Research Results in Mechanics

BIOLOGY

- 21E.K. Khusnutdinova

Ethnogenesis of the Eurasian Population

- 29B.M. Mirkin, L.G. Naumova

Investigation of the Plant Community Composition and Dynamics in the Republic of
Bashkortostan

- 40V.B. Martynenko, A.A. Muldashev

Sterlitamak Shikhans as a Unique World Heritage

GEOSCIENCES

- 48T.T. Kazantseva

Formation as an Indicator of Geodynamic Regime Activity in the South Urals

- 65P.Ф. Абдрахманов, В.Г. Попов

Влияние нефтедобывающего техногенеза на литолого-гидрогеохимическое
состояние зоны гипергенеза

- 65R.F. Abdrakhmanov, V.G. Popov

The Impact of Technogenesis on Lithological and Hydrogeochemical Conditions in the
Hypergenesis Zone

- 79V.E. Andreev, G.S. Dubinsky

Experimental Field Works in Regulating Oil Recovery Profile in Wells of the Kozhasay
Field Using Component Composition

PROFILES

- On the Jubilee of Professor Marat A. Ilgamov, Associate Member of the Russian
Academy of Sciences, Full Member of the Academy of Sciences of the Republic of
Bashkortostan

- 85D.A. Gubaidullin

Interaction of Talent and Will

- 91R.F. Ganiev

Scientist, Writer, Science Coordinator

SCIENTIFIC EVENTS

- 93G.V. Mordvintsev
Interregional Scientific Conference and Workshop on the First World War and Historical Fates of the Peoples of Russia (on the First World War Centennial). Ufa, February 7, 11, 2014)

OFFICIAL SECTION

- 962014 Prizes of the Academy of Sciences of the Republic of Bashkortostan Named after Prominent Scientists
- 97Jubilees
