

GENERAL BIOLOGY

- 6 R.V. Kunakova, R.A. Zaynullin, E.K. Khusnutdinova, B.I. Yalaev, E.P. Segura, A.D. Ilyina
Plants as a valuable source of amylase inhibitors in creating functional foods for diabetes prevention
- 16 G.R. Khasanova, B.M. Mirkin, L.G. Naumova, M.V. Lebedeva
Ecological succession of the segetal vegetation in the Cis-Urals (1980–2010)
- 24 Ya.T. Suyundukov, R.F. Khasanova
Qualitative analysis of the aggregate state of chernozems under grass natural and agricultural ecosystems
- 32 I.E. Anishchenko, O.Yu. Zhigunov
On biology of some representatives of the genus *Nepeta* L. under cultivation conditions in the Bashkir Cis-Urals
- 38 I.M. Farkhutdinov, L.M. Farkhutdinova
Geo-environmental aspects of the problem of type 2 diabetes

HISTORY AND ARCHAEOLOGY

- 46 L.D. Matveeva, N.E. Khayretdinova
On the establishment of integrated state theatre management in Ufa in the 1920s and 930s
- 53 T.A. Burkova
Akmullah Bashkir State Pedagogical University in UNI-SCO

EARTH SCIENCES

- 59 M.V. Snachev, A.V. Snachev
New data on petrogeochemistry of igneous rocks in volcanic units of the Amur stratiform deposit (South Urals)
- 67 T.T. Kazantseva
Terrane analysis as an area of structural and formational studies in Russian geology
- 75 A.M. Gareev, P.N. Zaytsev
Long-term peak discharge variability during spring floods in small and medium-sized rivers of the Bashkir (Cis-Urals)
- 83 M.V. Ushakov
Mathematical model for estimating the river flow depletion along the Sea of Okhotsk northern coast during the winter low water

IN THE BOOK WORLD

- 88 M.A. Ilgamov
Basic book about Bashkortostan
- 91 S.L. Bekhterev, L.N. Bekhtereva
On Bashkir Encyclopaedia
- 94 Reviewed:

F.G. Galieva. Adaptatsiya vostochnoslavjanskogo folklora v tvorcestve narodov Bashkortostana [Adaptation of East Slavic tradition in the folklore of the peoples of Bashkortostan]

OFFICIAL SECTION

- 95 2015 Prize of the Russian Federation government in Science and Technology
- 96 Jubilees

OBITUARIES

- 97 Ragib N. Gimaev

- 98 OBITUARIES
